Why am I receiving this?	Mr. Cooper completed an analysis of your escrow account to ensure that the account is funded correctly, determine any surplus or shortage, and adjust your monthly payment accordingly. Mr. Cooper maintains an escrow cushion equal to two months’ estimated taxes and insurance (unless limited by your loan documents or state law). This measure helps to avoid a negative balance in the event of changing tax and insurance amounts.
What does this mean for me?	At this time your Escrow Account has more money than needed, resulting in a surplus of \$272.37. Due to this surplus and changes in your taxes and insurance premiums, your monthly escrow payment will decrease by (\$4.64).
What do I need to do?	A surplus check in the amount of \$272.37 is attached below. Please note that effective 03/01/2023, your new total monthly payment will be \$539.99.

Total Payment	Current Monthly Payment	Payment Changes	New Monthly Payment
PRINCIPAL AND INTEREST	\$393.04	\$0.00	\$393.04
ESCROW	\$151.59	(\$4.64)	\$146.95
<b>Total Payment</b>	<b>\$544.63</b>	<b>(\$4.64)</b>	<b>\$539.99</b>
See below for surplus calculation			

**What is a Surplus?** A surplus is the difference between the **lowest projected balance** and the **minimum required balance** of your account for the coming year, as shown below. Please see second page for coming year details.

Escrow Payment Breakdown	Current Annual Disbursement	Annual Change	Anticipated Annual Disbursement
COUNTY TAX	\$1,819.10	(\$55.68)	\$1,763.42
<b>Annual Total</b>	<b>\$1,819.10</b>	<b>(\$55.68)</b>	<b>\$1,763.42</b>

If you have questions about changes to your property taxes or homeowners’ insurance premiums, please contact your local taxing authority or insurance provider. For more information about your loan, please sign in at [www.mrcooper.com](#).  
After conducting the annual analysis of your account, Mr. Cooper has determined that a surplus of funds exists and would like to inform you of options available to you. You may: **1. Retain the funds sent to you via check** for your own purposes, **2.** Return the funds to Mr. Cooper and request that we apply these funds to your unpaid principal balance, **3.** Return the funds to Mr. Cooper and request that we **apply these funds back into your escrow account**.

Prior Year Account History and Coming Year Projections

This is a statement of the actual activity in your escrow account from 03/22 through 02/23. This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure, and projects payments, disbursements, and balances for the coming year. The projections from your previous escrow analysis are included with the actual payments and disbursements for the prior year. By comparing the actual escrow payment with the previous projections listed, you can determine where a difference may have occurred. When applicable, the letter 'E' beside an amount indicates that a payment or disbursement has not yet occurred but is estimated to occur as shown.

Projections are included to ensure sufficient funds are available to pay your taxes and/or insurance for the coming year. Under Federal Law (RESPA), the lowest monthly balance in your escrow account should be no less than \$293.90 or 1/6th of the total annual projected disbursement from your escrow account, unless your mortgage documents or state law specifies otherwise. Your projected estimated lowest account balance of \$566.27 will be reached in July 2023. When the minimum required balance is subtracted from your lowest projected balance, an Escrow Surplus results in the amount of \$272.37. These amounts are indicated with an arrow (<).

This escrow analysis is based on the assumption that all escrow advances made on your loan prior to your bankruptcy filing date are included in your bankruptcy plan and will be paid in the plan. This analysis considers insurance, taxes and other amounts that will come due after the filing of your bankruptcy case.

Bankruptcy Adjustment - The Prior Year Account History and Coming Year Projections section of the Annual Escrow Account Disclosure Statement may contain a line item called "Bankruptcy Adjustment". This amount is a credit based upon the unpaid portion of the escrow funds listed on the proof of claim to be paid through the Chapter 13 plan. The amount of the credit is calculated and applied to reach the minimum required balance for the escrow account as allowed under the loan documents and applicable non-bankruptcy law. The credit may not represent the total outstanding amount of escrow funds owed in the proof of claim but ensures that any escrow funds listed on the proof of claim to be paid through the plan will not be collected through the escrow shortage or surplus listed in the Annual Escrow Account Disclosure Statement. In some instances, only a portion of the proof of claim escrow funds are listed as a credit to reach the required minimum account balance.

You will receive an Annual Escrow Account Disclosure Statement reflecting the actual disbursements at the end of the next escrow analysis cycle. However, you should keep this statement for your own records for comparison. If a previous escrow analysis statement was sent to you by your previous servicer, please refer to that statement for comparison purposes. If you have any questions, please call our Bankruptcy Department at 1-877-343-5602. Our hours of operation are Monday through Friday from 8 a.m. to 5 p.m. (CT). Visit us on the web at www.mrcooper.com for more information.

Note: Any disbursements listed after the date of this statement are assumed to be projected or estimated.
